WHATSONSTAGE.COM ON THE FAMOUS VICTORIES OF HENRY V

On a crazy island swirling with sounds, exiled Duke Prospero uses magic to create a home within the wilderness. As his beloved daughter Miranda falls in love with a shipwrecked stranger from their homeland, she rebels against his power. Prospero must risk forgiving those who betrayed him, or lose her forever.

Fun, fantasy and sorcery collide in this gripping story which uses an edited version of the play in its original language to create the perfect first introduction to Shakespeare for anyone aged 8 and above. Lasting just 90 minutes including a fully interactive introduction to the world of the play, this new production follows in the footsteps of *First Encounters: The Famous Victories of Henry V* which was hugely popular in 2015.
