

19th June 2022

Reception Intake 2022

Dear Parent/Carer

It was lovely to welcome you at our new starter evening yesterday. For those of you unable to attend you may view our presentation [HERE](#)

You will quickly find that Newburgh is a friendly and caring school. We will do our utmost to make sure that your child is welcomed into their new school and that they feel happy, safe and secure.

Our settling in arrangements this year have been adapted due to Coronavirus circumstances that we continue to find ourselves in, however we are working hard to ensure that you have access to all the information that we would usually share leading up to your child starting school.

Virtual Home visits

In usual circumstances, we would carry out home visits to enable your child to start to build a relationship with their class teacher. Last year, we undertook our home visits virtually which worked really well. In our questionnaire we will ask you to select a time during the week beginning 4th July when you and your child would be available for a chat over Microsoft Teams. We ask the children to bring a favourite book and toy to share with our teachers. This will also give you time to share any information that you feel is pertinent to choosing their class or supporting them settling into school.

Please complete our new starter survey [HERE](#)

If you have any questions, please email our admin account admin2325@welearn365.com

Please ensure you keep us up to date with any changes of personal details, in particular email, so we can ensure you are receiving all school communication from us.

If I can be of any further assistance please do not hesitate to contact me at school.

Yours sincerely

Mrs J Simpkins
Headteacher
