Please remember that school will be closed on Monday 7th May for the Spring Bank Holiday.

WELL DONE:

Pictured right are the boys and girls who represented Newburgh recently in an indoor football tournament at Campion High School.

The boys team won two games and lost two games with Joe and Jay both scoring three goals each. The team finished in third place out of five.

The girls team won all three of their matches and finished in first place overall. Poppy scored eight goals, Milly six, Elizabeth two and Izzy one.

Mr Brandrick and I were very impressed with the children's sportsmanship and willingness to encourage each other throughout the competitions, which was fantastic to see.

Keep up the good work everyone.

WARWICKSHIRE CHILDREN'S CHORUS:

Newburgh pupils attend the launch of Warwickshire Children's Chorus

On Saturday 24th March, several pupils from Newburgh School attended the launch of Warwickshire Children's Chorus.

Organised by Warwickshire Music and held at Warwick Hall, Warwick School, the Warwickshire Children's Chorus is a new way of getting children from across Warwickshire singing for fun.

Warwickshire Children's Chorus, led by Warwickshire Music's Director Jeremy Dibb was accompanied by pianist Rob Challinor and Rebecca Ledgard, Director of Education Ex Cathedral and Singing Playgrounds. With world-class workshop leaders, the children learnt the importance of posture, correct breathing techniques, expression and of course great songs to sing together.

A mix between musical theatre and a traditional choir, Warwickshire Music invites all children aged 7 – 11 from Newburgh and other Warwickshire schools to attend the next Chorus, to be held on Saturday 26th May, 10am – 12.30pm, Warwick Hall, Warwick School. So come along and bring your friends too!

The Warwickshire Children's Chorus is currently free to attend and parents and carers are welcome to attend the next session and enjoy their children's singing in state of the art surroundings of Warwick Hall. The session will close with a short performance by the Chorus to show off their new skills.

To attend the next Warwickshire Children's Chorus please register on

www.warwickshiremusicclub.org/events. Further information on Warwickshire Music can be found by visiting: <https://www.warwickshiremusicclub.org/>

or calling: 01926 742630.

Please remember our responsibilities to ourselves and our children when driving or parking around the school site. This is especially important where children and parents are crossing Kipling Avenue to enter school.

Please note that children should be arriving at school at 8.45am at the earliest.

GOVERNORS CORNER:

A very warm welcome back to the early part of the summer term. Warm being the operative word with the UK being hotter than parts of the Mediterranean last week!

It's great to see the school summer term kicking off with so many outdoor activities both during and after school. Its great now we have the lighter nights and better weather to be able to get some fresh air, not forgetting that it was only a few weeks ago that we had our sledges at the ready!

Whether you are into Tennis, Football or Athletics, there is usually something that all the children enjoy and look forward too.

With the Commonwealth Games in Australia not long having finished and with both Wimbledon and the World cup not far around the corner I wonder if we will have anyone from Newburgh participating in the years to come...

Have a great week

Steve Nemeth, Co – opted Governor.

If you have an issue you would like governors to consider, please send an email to governors2325@welearn365.com

eSchools reminder - All communication is now being sent home via the eSchools platform. It is really important for parents to log in to eSchools and update their email address within the personal details tab to ensure that correspondence is being received. The only letters which will be sent home on paper will be those which require completion of a reply slip. Please let the school office know if you require help with log in or a password reset.

PTA NEWS:

At the PTA meeting last week we approved £36 funding for 6 caterpillar to butterfly kits for Years 2, 3 and 6. These will go into the classrooms for the children to watch over the coming weeks as the caterpillars slowly become butterflies and are then released into the wild. We also approved £200 gardening equipment for Years 4, 5 and 6 gardening club.

We have also reached our £4750 target for new bike sheds so the school is now in the process of organising the installation. Watch this space!

Sadly our stamp collecting has suddenly come to an end after hearing that the company is no longer in operation. I will continue to look for another company to replace this with, but thank you for all those who have donated used stamps over the years.

If you went abroad over the Easter holiday and have any foreign coins/notes left over, remember that we can collect them in the coins bucket on the office reception. This is a great way of raising cash for free so any cash, including old currency is very welcome.

Lisa Hernandez, PTA chair
