

## Questionnaire for Reception Class Parents

The Governing Body would like to thank all the Reception Class parents who completed the questionnaire that was sent to all parents. 58 questionnaires were sent home and 21 were returned which is a 36% returns rate. The answers to question 4 *Please tell us anything else you think we could do to make our induction process better.* and 9 *We'd like to know why you choose Newburgh Primary School for your child.* were many and varied. Because it may be possible to identify some parents from these answers, they are not included here. They will however be considered by governors.
