'Year 5 Residential meeting for current Year 4 children'

Dear Parents

Our current Year 4 children will be visiting the 'Boundless Outdoors Bell Heath Centre' next academic year, once they have entered Year 5. This visit will take place from Wednesday 7th October to Friday 9th October 2020. This visit is offered to all children within our current Year 4 cohort and we hope that you will allow your child to participate in this exciting adventure.

In order to offer you the opportunity to hear more about Boundless Outdoors Bell Heath Centre and the benefits for children of experiencing this residential, we would like to invite you to a short presentation on **Monday 13th January 2020 from 6:15pm to 6:45pm**. At the meeting packs of information will be available for you to register your interest. **This meeting immediately follows the Maths curriculum evening for Year 3, 4 & 5.**

Taking the children on a residential visit at the start of Year 5 is a change to our previous years, when traditionally this has taken place in the summer term. The decision to make this change has been taken after careful consideration about the benefits to children, cost to families and the best time within the academic year to give children this fantastic opportunity. No change will be made to the Year 6 residential, so this will also mean that there is a greater gap between the Year 5 and Year 6 residential.

Bell Heath Centre will be a new venue to us in 2020, and has been specially chosen so it can offer a smaller and more personalised experience for Newburgh children. The children will have three days at the centre (two nights away) which is approximately 45 minutes away by coach. We will take part in a variety of outdoor activities such as orienteering, walking and climbing. All of the activities are led by experienced and qualified instructors from the centre.

We hope that you will be able to join us for coffee and the short presentation. Please return the attached reply slip by the Monday 13th January 2019.

Yours sincerely

Mr M Porter and Mrs K Turner
