**Mastery Maths meeting – Thursday 21<sup>st</sup> November 2019**

Dear Parents/Carers,

There will be a Mastery Maths meeting for parents of children in Reception and Year 1 on **Thursday 21<sup>st</sup> November at 6pm** in the new/sports hall.

Parents of children in Year 2 are welcome to attend if they wish to.

Maths is all around us and problem solving is at the heart of the mastery approach. This will allow you to make connections between what your child has been learning at school and the world around them.

Demonstrating these connections – and representing them in multiple ways – not only supports your child’s understanding and cements their knowledge; it reinforces the relevance of Maths in our lives and makes it fun.

This meeting will allow us to share different strategies in order to support your child at home with Maths.

We hope that you will be able to join us for this meeting. Please return the reply slip by the **7<sup>th</sup> November 2019**.

Yours sincerely,

Miss Maisey  
Lower School Leader
