

Dear parents,

The Oak National Academy is a new collection of high-quality lessons and online resources. Backed by the Government, it has been created in response to the coronavirus lockdown. The sessions are broken up into videos, slide shows, quizzes and tasks and offer the children progressive tasks throughout the week in Writing, Maths and Foundation subjects. You can read more about it and meet the teachers here: <https://www.thenational.academy/>

From this week our teachers will be making more use of these resources in their planning and suggestions for learning will be provided on our school's eschools platform, alongside other ideas for the week. Work from this can still be uploaded via eschools to their teacher, if you wish.

BBC Bitesize is another good source of learning and I will continue to put new suggestions on the website under the 'Home Resources' tab.

As I have said before, please do what you feel is best for your family. No one will be in trouble for what they haven't done! Do keep in contact with us though, we are here to support you and your family in any way we can at this time. The safety and health and well-being of our pupils are of the utmost importance to us.

You can contact us on [admin2325@welearn365.com](mailto:admin2325@welearn365.com) or [pastoral2325@welearn365.com](mailto:pastoral2325@welearn365.com) or on 01926775453. School is open every day for the children of key workers and vulnerable children, including holidays and bank holidays.

Keep safe,

Kind regards,

Mrs Simpkins
