14th June 2021

Newburgh Sports Day

Dear Parents/Carers

We are delighted to be able to hold a sports day for our children this year but unfortunately without yourselves as an audience due to the current COVID-19 restrictions.

Our sports day will run slightly differently to previous years, with only one-year group outside at a time to avoid crossing bubbles. The children will spend around an hour outside. The Reception and KS1 (Years 1 and 2) events will run on the morning of Wednesday 14th July and KS2 (Years 3-5) will run on the morning of Thursday 15th July. Year 6, have a separate sports day event as part of their end of Newburgh journey celebrations.

With the Olympics hopefully happening this summer, we have decided to hold our own Mini Olympics event for Sports Day. This will involve all children taking part in a selection of different sporting activities on the school field. Children should wear their normal PE kit (black shorts/tracksuit bottoms, white t-shirt, black jumper and trainers) to school on the designated day of the event.

Please ensure children come prepared with a sun hat, sun cream already applied and a water bottle.

Staff will take a selection of photographs from the day and create a sway document to show the activities that the children took part in. We are sorry that we are unable to guarantee a picture of every child.

If you have any questions please do not hesitate to contact me in school.

Yours sincerely

Miss C Maisey
PE Coordinator
