Dress up for Times Table Rockstars launch day

Dear Parents/Carers,

Monday 23rd September will be the launch day of an exciting new maths initiative across **years 3-6** called Times Table Rockstars. We invite children to come to school dressed as a rockstar! During the morning, they will be carrying out a carousel of fun maths activities in mixed year group classes.

The purpose of this new initiative is to enhance the speed at which children can recall multiplication and division facts which in turn will improve their mathematical understanding and attainment. On the launch day, children will be sent home with a letter explaining more about the Times Table Rockstars programme and how you can help at home.

If you have any further questions, please speak with your class teacher.

Yours sincerely,

Mrs Preston
Class Teacher
