

Blended Learning - Reception Timetable (for bubble closure)

Blended learning in Reception will look a bit different to other year groups in school as a lot of our work is play based learning, focusing on talk and language development. We will aim to introduce a weekly menu of activities closely linked to the theme/topic as planned. Many of these activities in the classroom would usually be supported by the adults in the reception team. Please bear this in mind, and offer as much support to your child as possible to work towards the activities suggested.

Key messages:

- The menu of activities is a suggestion of activities to do at home to support your child's learning, but please feel free to adapt to suit your child's needs and interests.
- We are not expecting your child to complete all the activities suggested but we would like them to be able to talk and share some of the things they have done at the end of each day.
- Please continue to hear your child read at least **3 times a week**.
- We would ideally like children to complete: 4 phonics tasks a week, 1 writing task, 3 maths tasks and 2 tasks from other areas of the curriculum (Physical Development, Expressive Art and Design, Understanding of the World, Personal, Social and Emotional Development and Communication & Language).
- Team's calls and video lessons will last no more than 15 mins.

Please ensure that you contact school via the admin email address if you have any worries or concerns about blended learning.

Here is the suggested timetable for blended learning in Reception:

	9:00 – 9:15	9:15 – 9:30	9:30 – 12:00	12:00 – 1:00	1:00 – 1:30 pm	1:30 - 2:45 pm
