7<sup>th</sup> January 2020

### Y3, 4, 5 Maths curriculum evening

Dear Parents

There will be a Mastery Maths meeting for parents of children in Year 3, Year 4 and Year 5 on **Monday 13<sup>th</sup> January from 5:30pm to 6:15pm** in the main hall.

During this meeting we will share different strategies we use in school in order to support your child at home with Maths. Problem solving is at the heart of the mastery approach we use in school and this will allow you to make connections between what your child has been learning at school and the world around them. Demonstrating these connections – and representing them in multiple ways – not only supports your child's understanding and cements their knowledge; it reinforces the relevance of Maths in our lives and makes it fun.

We hope that you will be able to join us for this meeting.

Please return the reply slip by the Monday 13<sup>th</sup> January 2019.

Following the maths evening Y4 parents are invited to stay for Year 5 Residential meeting for current Year 4 children from 6:15pm to 6:45pm.  
(Parents of Year 3 and Year 5 children do not need to stay)

Yours sincerely

Mr M Porter & Mrs K Turner

### Maths curriculum evening for Year 3 and Year 4 and Year 5 Monday 13<sup>th</sup> January 5:30pm - 6:15pm

- ☐ I/We will be attending the Maths information meeting on Monday 13<sup>th</sup> January 2020.
