Dear Parents/Guardians

Margaret Morley, from the Rotary Club, visited assembly recently to introduce the children to the 'Rotary Star Award Scheme'. This is a scheme which recognises and rewards children for their 'Citizenship and Community Involvement' and therefore recognises their involvement with projects outside of school. If you would like to nominate your child as a 'Rotary Star' then please send me an email or a note with your child's name, class and what you feel they have done to deserve the award. As many of our children are so thoughtful and caring, I know that this will be a difficult decision for the panel to make!

Please send in your nominations by 9am on Friday 28th June at the latest.

This link will give you more details and ideas:

ROTARY CONCERT AT ST MARY'S CHURCH, WARWICK

The annual Rotary concert will take place on Tuesday 18th June at St Mary's church, Warwick. Children participating should wear smart uniform and should arrive at the church at the following times:

Orchestra 4.20 pm
Choir 4.30 pm

Please remember to bring a packed tea which will be eaten shortly after rehearsal time.

Tickets are still available to purchase from the school office £5 per adult, £2 per child.

Please note an approximate finish time of 7.45/8pm.

CAKE SALE NEWS

Well done to Eloise in Year 5 who recently organised a cake sale in aid of The Alzheimer's Society, a charity which is very close to her heart. Eloise raised £135 for this very worthy cause so thank you to children and staff who purchased cakes.

Adopted charity for the year.

Our school day begins at 8.55am and the register is taken in class before lessons begin promptly at 9am. Please ensure that children are in school for 8.55am so they can begin their day calmly and with their peers.

BOOK SOME TIME - *Mog the Forgetful Cat* – Judith Kerr

Once there was a cat called Mog.
She lived with a family called Thomas.
Mog was nice but not very clever.
She didn't understand a lot of things.
A lot of other things she forgot.
She was a very forgetful cat

Forgetful but unforgettable, Mog has been making adults and children smile since she was created by Judith Kerr, the much-loved author and illustrator of *The Tiger Who Came to Tea*.

With her constantly anxious face and her baffled reactions to the world around her, Mog is a cat we can all empathise with. The world, to her, is a confusing, mixed-up place and she often ends up just where she shouldn't be when all she really wants is her nice warm bed and a boiled egg for her tea.

Mog the Forgetful Cat is just the first of a fantastic selection of Mog books for young children. Find out about Mog and the Vet, Mog in the Dark, Mog and the Baby and Mog's Bad Thing!

PTA CORNER

Our camping weekend was a great success despite the weather! Why not come along and join in the fun next year?

The next event to look forward to is the Summer Fair, after school on **Friday 5th July**. We really hope you will join us for a great afternoon of fun and games. We'll be needing donations for the tombola so please have a look in your cupboards.

We'll need lots of help getting ready for and running the fair - if you are interested email us at newburghpta@gmail.com

WARWICKSHIRE ROAD SAFETY CLUB VISIT

Children from Year 3 welcomed Warwickshire Road Safety Club into school recently. The session focused on the Warwickshire Road Safety Club Code to....

THINK about roads
STOP at the kerb and wait
LOOK and **LISTEN** for traffic
THINK about what to do
CROSS the road safely

Children became 'Road Safety Superheroes' and participated in a range of fun and engaging learning activities to develop their knowledge and understanding of the Road Safety Code and safer places to cross. The children were introduced to two animated characters, Emily and Ewan, who helped the children learn valuable road safety messages, including how to cross the road safely between parked cars and at a junction. Lots of important information to help us all stay safe when making a journey.

WARWICK TOWN SPORTS

Well done to all the children who took part in the recent Warwick Town Sports competition at Aylesford School. The children were a credit to their school showing great team spirit and determination. Congratulations to the 11 children who achieved first place positions and will now go forward to represent Central Warks at Edmonscombe on 3rd July. We also achieved 9 second places and 4 third places. This is Newburgh's best performance so far at this annual sporting event.

GOVERNORS' CORNER - Raman Gurnani, Governor

Volunteers Week is celebrated between 1st and 7th June every year.

Volunteering doesn't have to be formal or on a big scale, 'every little counts'. It has many benefits such as building strong communities, ending loneliness, making new friends and many others, but the best benefit is improving self esteem. As well as helping others, volunteering has a positive impact on the lives of those who volunteer.

If you are inspired and want to give it a go, here are some things you can do, donate some food to a food bank, send cards and letters to children in hospital, look after abandoned or injured animals, visit an elderly neighbour and spend some time with them.

In our school we have lots of volunteers who help the school community in many ways. Children volunteer to help teachers in the class, or clearing at lunch times, helping young children at school etc. Adults help by reading with children, supporting school events, joining PTA or being a school governor. Teachers give up so much of their own time to make sure they get the best out of every child.

I would like to take this opportunity to thank all the volunteers at school for their contribution to our school and this is for you.

If you have any comment or query for governors, you can now contact us at governors2325@welearn365.com

THANK YOU
Volunteers!
We couldn't do it without you
