Celebration Assembly

Dear Parent(s)/Carer(s)

We will continue to celebrate your children's achievements both in school and out of school on Friday mornings at Celebration assembly. It is lovely that so many of you come to celebrate with us.

Celebration assembly is a time when children can share with us their achievements out of school. These may be certificates or medals they have been awarded at a club, charity events they have taken part in, an art project they have worked hard on or a new skill they have conquered such as riding a bike. If you are unsure if it is appropriate for a Celebration Assembly, please ask the class teacher.

To support your children celebrating their achievements, it helps if they are prepared with a few words about their activity/achievement and why they are proud. We ask children to fill in a sheet about their achievement in advance as it is quite a daunting experience for them to stand up in front of so many people. There are sheets for the children in each classroom and they can be accessed on the Newburgh web-page at:

https://newburgh.eschools.co.uk/cms_manage/edit_page/425815

It helps staff to organise the running order for the assembly and ensure we keep the assemblies to half an hour if these are handed in by Thursday. We have extended this from Tuesday to give parents and children more time to prepare for the celebration.

Yours sincerely

K. Turner
