18th September 2019

Dear Parent(s)/Carer(s)

This year we have adapted the letter which explains what each year group will be teaching so that you can support your child's learning.

Every half term, year groups will share their teaching plans, so that you can understand what they are learning in school. These plans include the skills and knowledge that we consider to be most important for the children to embed that half term. Information about our expectations for Mathematics and English and these plans can be found on the web-site under the year group by following the link:

https://www.newburghprimaryschool.co.uk/website/year_groups

Maths and English are taught throughout the year so that your children can consolidate these skills.

In addition to this we are sharing the year group timetable which will give you information about when subjects such as PE take place in the week. On occasions, these timetables may change when we have special days in school such as Book Day.

We would like to invite you to our parents evenings this term on **Wednesday 6th November and Thursday 7th November from 3:30 to 7:00pm**, appointments will be available to book on eschools on **Tuesday 22nd October**.

If you have any questions concerning your child's education, please make an appointment to meet your class teacher through the school office.

Yours sincerely

Mrs K. Turner
Deputy Headteacher
