Policy on Admissions

1 Introduction

1.1 Our governing body applies the regulations on admissions fairly and equally to all those who wish to attend this school. The School Standards and Framework Act 1998 introduced a new framework for school admissions as of September 2000. This was later revised in the Education Act of 2002. Our admissions policy conforms to the regulations that are set out in that Act and are further explained in the statutory School Admissions Code of Practice and the statutory Appeals Code of Practice. These were revised in January 2003 and came into force in September 2004.

2 Aims and objectives

- 2.1 We seek to be an inclusive school, welcoming children from all backgrounds and abilities.
- 2.2 All applications will be treated on merit, and in a sensitive manner.
- 2.3 The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available, we adopt the procedure set out below to determine whether a child is to be accepted or not. It is our wish for parents to find a place for their child at the school of their choice. However, this is not always possible, due to excess demand on the places available.
 - 2.4 A child's level of ability is irrelevant to this school's admissions policy, as are any special needs the child may have.

How does THIS policy support the development of appropriate British Values?

In our school we teach children to be respectful of each other and we believe that by learning about the differences and beliefs of others we will develop a greater understanding and tolerance. Our 'one word school rule' for each of our primary schools support this aim. The government set out its definition of 'British values' in its Prevent Strategy. We reinforce these regularly and in the following ways:

- <u>Democracy</u>: Democracy is rife in our schools! Pupils have their voices heard through our School Council and Pupil questionnaires. We elect House Captains, our School Council, as well as vote on 'Charity for the Year'.
- The Rule of Law: The importance of Law, i.e. those that govern the class, the school, or the country, are consistently reinforced, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that govern and protect us, responsibilities this involves and the consequences when laws are broken. Visits from authorities such as the Police; Fire Service; Lifeguards etc. are regular parts of our calendar. Pupils are regularly rewarded for great behaviour with stars, pebbles, house points and praise.
- <u>Individual Liberty:</u> Our pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. We educate and provide boundaries for children to make choices safety. Pupils are encouraged to know, understand and exercise their rights and personal freedoms through our E-Safety and PSHE lessons. Pupils are given the freedom to make choices.
- <u>Mutual Respect:</u> Our school ethos and behaviour policy revolves around our core values such as 'Consideration' our 'one word school rule'. Assemblies relate to what

- this means. Posters around the school promote respect for others and this is reiterated through our classroom and learning rules, as well as our behaviour policy.
- Tolerance of those of Different Faiths and Beliefs: This is achieved through enhancing pupils' understanding of their place in a culturally diverse society. We offer opportunities to experience diversity through visits to places of worship and year group links to other schools in areas which are different to our own. Assemblies and discussions involving prejudices and prejudice-based bullying are followed and supported by learning in RE and PSHE.

3 How parents can apply for their child to be admitted to our school

- 3.1 Our school determines the admission arrangements in agreement with the local authority (LA). The Admissions Authority for our school is therefore the LA, which publishes its entry regulations every year. Parents can receive a copy of these regulations directly from the LA.
- 3.2 The LA's annual admissions prospectus informs parents how to apply for a place at the school of their choice. Parents have a right to express their preference, but this does not, in itself, guarantee a place at that particular school. Application should be made on a form that can be obtained from the local Education Department, and should be returned by the date stipulated on that form. The school will notify parents of the decision as soon as all the applications have been considered.
- In this area, children enter school at the start of the academic year in which they become five. There is one admission date per year, early in September (i.e. when the autumn term begins). Therefore, parents who would like their child to be admitted to this school during the year their child is five should ensure that they return the necessary application form to the LA by the required date (as set by the LA annually).

4 Admission appeals

- 4.1 If we do not offer a child a place at this school, this will be because to do so would prejudice the education of other children by allowing the number of children in the school to increase too much.
- 4.2 If parents wish to appeal against a decision to refuse entry, they can do so by applying to the LA. An independent panel considers all such appeals, and its decision is binding for all parties concerned. If the appeals panel decides that we should admit a child to whom we had refused a place, then we will accept this decision and continue to do all we can to provide the best education for all the children at our school. (Further details of appeal arrangements are set out in the revised Code of Practice on School Admissions Appeals, which came into force in September 2004.)

5 The standard number

5.1 The 'standard number' is the number of children the LA considers the school can accommodate. The standard number for our school is 60 per year group. We keep this number under review, and the governors will apply to change the number if circumstances change.

6 Sizes of classes for infants

6.1 We teach infant children (aged five to seven) in classes that have a maximum number of 30 children.

7 Monitoring and review

7.1 This policy will be monitored by the governing body, who will always take due note of the guidance provided by the local Admissions Forum.

7.2	The policy will be reviewed every three years, or earlier in the light of any changed circumstances, either in our school, in the local area or if the government introduces new regulations.
