taking care

helping children learn to  
keep themselves safer

Dear Parent(s) / Guardian(s),

The month of January will be 'Taking Care' month in our school. Each class will be using the Warwickshire Safeguarding Children's Board 'Taking Care' Programme which aims to teach children about feeling safe and building networks of support they can use if they don't feel safe.

We will be talking about using safe language, how our body lets us know if we are not feeling safe, safe and unsafe secrets, the importance of children learning the scientific names of their body parts and building a safe support network to talk with.

Your child will be bringing home two booklets which will give you more information about the programme which we use every year. These are intended for adults to read for their own information.

Please do not hesitate to speak to me should you have any concerns or questions about the programme.

Yours sincerely,

Mrs E Snell  
*PSHE Coordinator*
